

PRESS RELEASE

It's official, after months of speculation, David J. Lovejoy of Hampton NH, president of Execuguard International, LLC. has filed the appropriate paperwork to become the democratic candidate for High Sherriff of Rockingham County on June 11, 2008. David Lovejoy will be running against the republican incumbent, Dan Linehan; who at many times has been at odds with the county commissioner as well as his own staff. David Lovejoy was a finalist for the position back in the mid 1990s when the position was vacated by then Sheriff Wayne Vetter who was appointed to head the Fish and Game Department. David Lovejoy is the only democratic candidate on the ticket for Sheriff and will be running solely against the incumbent republican candidate. For more info about David J.
